

AmeriCorps

AmeriCorps Childcare Benefit Program

The AmeriCorps Childcare Benefit Program is available for qualified, active, full-time AmeriCorps VISTA, NCCC, and State and National Members who need the benefit to serve. Eligibility requirements are listed below for each AmeriCorps program. Childcare benefits are paid directly to qualified childcare providers for all or of part of the member's childcare costs during their active time of service with AmeriCorps; childcare benefit payments cannot be paid directly to AmeriCorps members. Childcare benefits may not exceed applicable payment rates as established in the state in which the childcare is provided under the Child Care and Development Block Grant Act of 2014 42 USC 9801.

Member Eligibility Requirements

AmeriCorps State and National

AmeriCorps childcare benefits are available to full-time State and National members who qualify. To qualify for the childcare benefit, the member must meet the following eligibility requirements:

- The State and National member's family household income (to include income of the member and either their spouse or the children's other parent/guardian within the same household) must not exceed 75% of the state's median income for a family of the same size; **this limit is different for each state and may change annually. The total household income is used to determine your income eligibility excluding your AmeriCorps State & National living allowance.**
- The member must not currently receive a childcare subsidy from another source at the time of acceptance into the program (including a parent or guardian) which would **continue** to be provided while the member serves in the program.
- The member must be the parent or legal guardian of a child under the age 13.
- The child must reside with the member.
- The member must be serving full time or less-than-full-time but serving in a full-time capacity meaning, performing service between at least 32.5 hours per week. Members serving in the Professional Corps Program are not eligible for the childcare benefit. Please refer to current Terms and Conditions for AmeriCorps state and National Grants at www.AmeriCorps.gov for more information.
- The member must certify that they need childcare in order to participate in the program.

AmeriCorps VISTA

To qualify for the childcare benefit, the VISTA member must meet the following requirements:

- The VISTA member's family household income (to include income of the member and either their spouse or the children's other parent/guardian within the same household) must not exceed 75% of the state's median income for a family of the same size; **this**

limit is different for each state and may change annually. The total household income is used to determine your income eligibility excluding your VISTA living allowance.

- The member must not currently receive a childcare subsidy from another source at the time of acceptance into the program (including a parent or guardian) which would **continue** to be provided while the member serves in the program.
- The member must be the parent or legal guardian of a child under the age 13.
- The child must reside with the member.
- The member must certify that he or she needs childcare in order to participate in the VISTA program.

A VISTA who is approved to receive the childcare benefit may apply a portion of the subsidy to cover the cost for childcare while the VISTA attends Pre-Service Orientation.

AmeriCorps NCCC/FEMA Corps

The amount of childcare assistance an AmeriCorps NCCC/FEMA Corps member can receive is \$400 per child per month. To qualify for the childcare benefit, the NCCC member must meet the following requirements:

- The member must be the parent or legal guardian of a child under the age of 13.
- The child may not be physically living with the member (as the member's duty station will be at one of the NCCC Campuses)
- The guardian or family member with whom the child is living must also be either:
 - 1) the childcare provider, or
 - 2) the party responsible for selecting a childcare provider for the eligible child.**The identified childcare provider however may not be the child's biological, step, or adoptive parent.**
- The benefit to be paid is **\$400 per month per child or the rate charged by the childcare provider, whichever is the lesser amount.**
- Certifies that he or she needs childcare in order to participate in the program.

Childcare Provider Eligibility Requirements

Childcare benefits are paid to qualified childcare providers for all or of part of the member's childcare costs during their active time of service with AmeriCorps. Childcare subsidy benefits are paid directly to qualified childcare providers.

- Childcare providers must meet eligibility requirements as regulated under the Child Care and Development Block Grant Act of 2014 42 USC 9801. Regulations vary by state and are subject to change annually.
 - must be at least 18 years of age
 - may not be the child's biological, step, or adoptive parent, or the child's legal guardian, adult acting in loco parentis, or the spouse of a legal guardian or adult acting in loco parentis, or the child's sibling if living in the same household.

Depending on the state in which the care is being provided, other blood relatives (factoring in exclusions listed above) may be used.

Information on the Child Care and Development Block Grant Act of 2014 42 USC 9801 and state/territory plans can be found at: <http://www.acf.hhs.gov/programs/occ/resource/ccdf-grantee-state-and-territory-contacts>.

*For the NCCC, the guardian or family member with whom the child is living should also 1) be the childcare provider or 2) serve as the responsible party in selecting an outside childcare provider; **the identified childcare provider however may not be the child's biological, step, or adoptive parent**. For example, while a guardian or family member may serve as the childcare provider, that guardian or family member also has the option to select an outside childcare provider (such as a licensed day care center) to provide services if they are needed.

AmeriCorps Childcare Benefits Administration

GAP Solutions, Inc. (GAPSI) administers the AmeriCorps Childcare Benefits Program for the Corporation for National and Community Service and therefore members must apply directly to GAPSI for the childcare benefit. Interested and eligible members should visit the GAP Solutions, Inc. website at: www.americorpschildcare.com or call toll-free at 855-886-0687 for more information.

Application Process

How do I apply?

Members and their selected Childcare Providers can apply online at americorpschildcare.com; or may download the paper application forms at www.americorpschildcare.com under the Forms section. All applications will require the submission of the following forms and supporting documentation. *Uploading the documents via our online application and faxing are the most secure methods of sending documents to our office. If you do decide to email any of your documents, please ensure you encrypt the documents, then send the documents in one email and the password in a separate email.
