GAP Solutions Inc. has developed the below table with quick links to where to find your state’s maximum reimbursement rates. These links will take you to the published rates for your state. The rates awarded to you will depend on your childcare provider license type, certifications, county and the age of each child needing care. There are several categories of childcare providers. Please refer to our Types of Childcare Providers definition list [here](#). This list will be updated periodically as changes occur. We appreciate your feedback – if you have any questions regarding the eligibility requirements or have trouble loading any of the links in your web browser, please feel free to contact our staff for. We can be reached via phone (855) 866-0687 or email at AmeriCorpsChildCare@gapsi.com.
