

AmeriCorps

GAP Solutions Inc. is committed to providing AmeriCorps members with the resources needed to make informed decisions regarding childcare. The member eligibility requirements are determined by the individual state/territory. In our continued efforts to improve our processes and delivery of service we have developed the below list of Childcare Development Fund Plans (CCDFs).

The Childcare and Development Block Grant Act of 2014 reauthorized the law governing the Childcare and Development Fund Program. In September of 2016, the Office of Childcare Published rules to provide clarity to states on how to implement this law and administer the program in a way that best meets the needs of children, Childcare providers, and families. Click [here](#) for the CCDF Final Rule Publication.

Please follow the link for your state/territory and review the eligibility information that is provided. This list will be updated periodically as changes occur. We appreciate your feedback – if you have any questions regarding the eligibility requirements, or have trouble loading any of the links in your web browser, please feel free to contact our staff for assistance. We can be reached via phone (855) 866-0687 or email at AmeriCorpsChildCare@gapsi.com.
